

For our 30th Anniversary, we are organising a one-off Switch On fundraising campaign for 2022 that is specifically targeted towards supporting the launch of our new school programme in September. Check out all the ways you can support us below:

Take the plunge and do a Skydive!

This is a brave choice! It's a huge adrenalin rush, followed by a sense of euphoria and achievement once you land. It's a tandem skydive, so you are secured to an instructor who does all the work!

Cost: Entry fee from £190 to £250
Fundraising Target: £600* per person

*£600 could equip one of our project managers with a new laptop that will enable them to work over multiple school and business sites.
