

Number Partners: Impact 2018/19

Primary Number Partners is an innovative project which promotes the enjoyment of maths, builds confidence with numbers and encourages team work. Through the use of number based games and puzzles and the dedicated attention of their Number Partner, pupils develop their mathematical ability as well as their self-esteem and communication skills.

Teacher Feedback

“A couple of children expressed that it was their ‘favourite club’ this year”

School Coordinator, Old Palace Primary School

9 of 11 teachers strongly agreed that their pupils see their Number Partner as a

“There has been a noticeable improvement in a number of the kids’ numeracy ability ... the speed at which they come to an answer and generally being more confident in talking to us.
