

Celebrate Cake!

This autumn be inspired by the launch of The Great British Bake-Off and celebrate cake with your colleagues!

We are encouraging our volunteers to run a simple office bake event during the months of October and November to round off The Switch's 30th Anniversary fundraising campaign in 2022.

We are also recruiting more volunteers now we are back to in-person programmes, and it would be a great way to champion your volunteering with colleagues by distributing some information at your event.... and if you would like someone to come along and talk about getting involved with The Switch, let us know.

Please use a slice of creativity and share pictures of your event and/or bakes and tag us on Instagram ([@theswitchcharity](https://www.instagram.com/theswitchcharity)), Twitter ([@TheSwitchOrg](https://twitter.com/TheSwitchOrg)) and LinkedIn ([The Switch](https://www.linkedin.com/company/the-switch)). The two best posts will win two Chrome Notebook laptops for their Switch partner schools.
